

2018 NY Scholar Testimonial

Olivia Buonanno - Wilkes University Nesbitt School of Pharmacy

I am extremely grateful for NHHF's financial support as I continue working to serve the Hispanic communities both in my area, and around the country. Receiving this award will help me continue my pharmacy career, and support those in need through the education of both the population as well as healthcare professionals. It is a reminder of how far the Hispanic communities have come, and is an example of the hard work that will pave the way for future generations. Thank you so much for your continued support.
